Re: Approval of Bid Recommendation for Well Project

On February 24th, 2023, a Request for Proposals (RFP) was circulated for the Well Pump and Reservoir Tank Project. This project includes the following services:

- Removal and replacement of well pump and pipe
- Removal and replacement of fill pipe and hangers inside the tank
- Removal of sediment and testing of water

The bid opening was held on Friday, March 10th, 2023 at 11:00 a.m. Two companies submitted bids. The low bidder, Bero Plumbing, had a bid of \$58,000.

Approval of the bid from Bero Plumbing at \$58,000 is recommended.
