Re: Approval of Bid Recommendation for Wellness Center Equipment

On October 25, 2023, a Request for Proposals (RFP) was circulated for acquiring new Wellness Center Equipment. This project includes replacing a large majority of the current free weight and cardio machines that are 10-17 years old in the Wellness Center.

The bid opening was held on Thursday, November 16, 2023, at 3:00 p.m. Five companies submitted bids. One bid from Direct Fitness Solutions did not have the required addendum material completed so was eliminated from consideration. The low bidder, Fitness Connection out of West Dundee, Illinois, had a bid of \$51,610 which included Nautilus machine weight equipment, Star Track 4 Cardio machines and StairMaster 8 equipment.

Approval of the bid from Fitness Connection is recommended.
