Re: 2025 Board of Trustees Awards of Excellence Recommendation

We are pleased to announce that the following individuals have been nominated for the 2025 Board of Trustees Award of Excellence.

For each award category, a committee of peers is formed to review the nomination materials. These committees then make a recommendation to the President for Board approval.

Recommended recipients have been identified in bold with an underline and asterisks in each category. We request the Board of Trustees approve these individuals for award.
