**Kishwaukee College Board of Trustees Policy Manual – 2.07.01 (Confidential Staff Benefits - Page 1 of 3)**

All confidential staff benefits listed below will be pro-rated for any employee working less than 2080 hours per fiscal year as specified below\*:

- Employees working 90% full-time equivalency will receive earned benefit time equal to 90% of a full-time employee.
- Employees working between 75% and 89.9% full-time equivalency will receive earned benefit time equal to 75% of a full-time employee.
- Employees working between 50% and 74.9% full-time equivalency will receive earned benefit time equal to 50% of a full-time employee.
- Employees working less than 50% full-time equivalent may qualify for personal leave but will not be eligible for sick or vacation earned benefit time.

Vacation, sick, and personal leave accrue on a monthly basis. Employees are eligible to “borrow” against these leaves in advance of their accrual throughout the current fiscal year. Upon separation from employment employees are responsible for the reimbursement of any borrowed paid time (other than personal) that has not been accrued.

| <b>Benefit</b>            | <b>Eligibility</b> | <b>Benefits Received</b>   |
| Longevity                 | Upon Employment    | Confidential Staff will be eligible for a one-time, non- cumulative longevity payment of \$500 upon completion of twenty (20) total years of full-time service with the College and after completion of each additional five (5) years of College service after the 20th year of service. The employee will receive the \$500 longevity payment in their final June paycheck of the contract year in which the employee is eligible for longevity pay. The longevity payment will be added to the employee's base annual salary for subsequent contract years but will not be cumulative (i.e., an employee who completes 30 years of full-time service will receive \$500 rather than \$1,500). In no manner is this policy meant to construe retroactive payments for employees that may have already achieved these benchmarks. |
