**RADIOLOGIC TECHNOLOGY PROGRAM**  
**Application for Admission**

**APPLICATION ESSAY**

**Typed responses to the following questions must accompany the application:**

1. Explain what stimulated your interest in the field of medical imaging.
2. Based upon your personal research, describe the following regarding the field of medical imaging:
  - The role of a Radiologic Technologist in the diagnosis and treatment of patients.
  - The skills and characteristics required to be successful in the field of medical imaging.
  - Areas of advancement and specialization available to Radiologic Technologists.

**Research should include a minimum of three (3) sources, such as books, professional magazines, interviews with student technologists, technologists or radiologists, ASRT.org and other Internet sources.**
3. Describe yourself as a person to include:
  - Your strengths and weaknesses.
  - Your accomplishments.
  - Why you want to be a Radiologic Technologist.
  - Your short and long term professional goals.
4. Describe your personal characteristics and life experiences that you feel will contribute to your success as a student and professional technologist.
5. List all research resources used.

**Submit your official high school and college transcripts, radiology application, radiology essay, and letters of reference with the \$10.00 application fee to:**
