Consent Agreement for Enrollment of Minor Student

Before my consent to the enrollment of my minor child at Kishwaukee College ("Kishwaukee"), the College representative named below reviewed with us the challenges, conditions, and requirements including but not limited to those outlined below, to which students under age 16 are subject.

1. Kishwaukee has an open-door admissions policy, and its students are a diverse population of people from all socioeconomic and cultural backgrounds.

2. Kishwaukee students are 26 years old on average.

3. Classes are taught at a college-level pace and may contain adult content and/or language.

4. The number of students under the age of 16 who attend Kishwaukee is small in proportion to the total population of Kishwaukee students.

5. The academic, social, and emotional needs and maturity of many older Kishwaukee students may differ significantly from those of applicants under age 16.

6. Taking credit classes at Kishwaukee begins an official college transcript which, in addition to the high school transcript, may be used to make future financial aid and college admissions decisions.

7. Parent(s) and student(s) agree to communicate regularly with each other about progress in and content of the class(es) the student is taking at Kishwaukee. In the event the student decides to withdraw from a course, he or she agrees to comply with the deadlines for doing so which are specified in rules and procedures published on the College website.

8. Failure to withdraw from a class by following the published rules waives any objections concerning whether the class was an appropriate one for the student.

9. We, as parent(s) and student(s), have been encouraged to spend time observing Kishwaukee students and the college environment before making a final decision to enroll.

10. Parent(s) and student(s) agree that student is subject to all Kishwaukee rules, policies, and procedures regarding students.

After careful consideration and review of the above and any other information and factors we deem appropriate, we hereby consent to the enrollment of the undersigned Student Applicant.
