Mission Moment

***Congratulations, Graciela!**
And thank you for your
dedication to Kish College
and our students!*

This month, we would like to share a mission moment statement from Niajah D., who is pursuing an Associates of Arts degree at Kishwaukee College. Niajah would like to recognize Graciela Horta, Coordinator Student Outreach

I met her My senior year at DeKalb high school during her presentation late 2022. In the midst of me graduating early I was planning on starting classes here at Kish at the start of spring 2023. She has been very helpful since day one. She has helped connect me with the proper resources with any questions I have had weather that be transportation, scholarship's, Job opportunities, financial aid etc.. Always referring to the Kish cite she has showed me how to take advantage of its tools and resources, I am very familiar with it's benefits because of her. My Aid situation is a little different, I had to file for an independent status, and she helped me maneuver through that process, reassuring me that it would work out and here I am in my 2 going on 3rd semester at kish. Now her student worker. She is very kind and understanding, and never fails to hold me accountable. I absolutely love working with her.

Share your Mission Moment

We want to recognize students who have experienced positive successes through staff, faculty, and/or peer collaboration at Kishwaukee College. Please answer the questions in the link provided as thoroughly as you can so we can share your moment with others on campus. By submitting this information, you are providing consent for the college to share this moment with our Board of Trustees, other staff members on campus and the colleges social media platforms. Please note, we will only share your first name.

[Nomination Form](#)

At Kish, we celebrate the many contributions that our diverse students, faculty, staff and administration make to our college and community. We strive to create and continually improve a campus environment that ensures respect for these differences and encourages their expression.
