

Arizona State University

Transfer Agreement Summary

Transfer Program	Most Bachelor's Degrees on-campus or online
Kishwaukee College Program	Associate in Arts, Associate in Science
Agreement type	Guaranteed Program for Admission (GPA)
Summary	The Guaranteed Program for Admission assist students plan and complete prescribed coursework designed to easily transfer to ASU. Students will have more than 350 degree programs available to students on the main ASU campus, at their satellite campuses, or online.
Benefits of the Program	ASU tools and guidance on which courses to take while attending Kishwaukee College. Students will have the ability to transfer to ASU in the fall or spring semester and courses at ASU available during the semester the student needs them. The student's catalog year will remain the year he/she signs the agreement rather than the year he/she is admitted to ASU.
Program Agreement	Students will be able to work with Kishwaukee College's advisors and their ASU transfer specialist to monitor their academic progress. Students will understand and meet admission requirements. Students will complete the coursework for the GPA in two years or less from the point when they sign up for the program with ASU. Students agree that their academic data and advising information may be shared between Kishwaukee College and ASU.
