

Lewis University

The new 2 +2 partnership will offer students studying criminal justice forensics to have the ability to complete an AA with an emphasis on criminal justice and forensics and finish at Lewis University in criminal forensic investigation.

<https://www.lewisu.edu/academics/forensic/index.htm>

Students must complete the AA at Kish. When students transfer to Lewis's program, their Lewis tuition for courses will be at a 35% discount from the published per credit hour rate. Attached is the program planner for the 2 +2 program.

Criteria of the agreement:

- Interested students must complete the Associate Arts program at Kish prior to enrollment at Lewis.
- Interested students will be required to complete 128 credit hours for the bachelor's degree as detailed below.
- Graduates of Kish must complete a minimum of 39 credit hours from Lewis to be awarded the Bachelor of Arts degree. All other program requirements apply.
- Interested students should ideally apply for admission to Lewis in their first semester at Kish in order to receive appropriate advising and maximize their semesters at Kish.
- Interested students completing the Associate of Arts degree with a minimum cumulative grade point average of 2.0 will be guaranteed admission to Lewis.
